Nous mettons à jour le registre de nos membres et partenaires

Chers membres et partenaires de l'ASARECA,

L'ASARECA est en train de concrétiser ses partenariats pour faciliter la mise en œuvre de diverses actions conjointes prévues dans notre plan stratégique et cadre de résultats (ASRF-2019-2018), ainsi que et le plan opérationnel à moyen terme (MTOPI-1: 2019-2023). Pour réaliser cette initiative, nous avons lancé le processus de mise à jour du registre de toutes les institutions membres et partenaires, y compris nos membres fondateurs, via un processus d'enregistrement en ligne. Cet exercice est prévu dans le Manuel de Gouvernance de l'ASARECA. Il est destiné à collecter des données à jour auprès de partenaires et membres en sous-région de l'Afrique de l'Est et du Centre. Nous vous encourageons tous à participer à cet important exercice.
